DRINK OF THE WEEK: TANK GARAGE WINERY CHARDONNAY

Everything about this Chardonnay from Tank Garage Winery screams “new-school,” from the unique label designed by New York graffiti artist T-KID to the wine’s refreshing personality. Made with 100% Chardonnay grapes from the Carneros Region, Napa Valley and Russian River Valley, the wine bursts with bright citrus, hints of vanilla, and an underlying minerality that makes it a perfect match for this year’s Thanksgiving spread. \$36, artisanwinedepot.com
