While we love the savory flavors of a **hearty winter cocktail**, there's simply nothing better than a crisp glass of chilled wine on a hot summer day. Whether you're enjoying some Vitamin D on your patio, hosting friends for an outdoor soiree, or brunching in the neighborhood, there's a summer wine for every event. We're not sommeliers by any means, but we do have strong opinions on our wine. We've gathered a few of our favorites **In the slideshow**, all taste-tested by our editors. We're sure there's one you'll love!

4. 2015 TANK GARAGE WINERY  
"TAKE IT EASY" RED WINE  
\$45 / bottle (Sonoma County)

TASTING NOTES: cedar, fresh rosemary, and juicy cherry.

WHY WE LOVE IT: You didn't think they'd all be white, rosé, or sparkling, did you? This zinfandel has a touch of petite sirah and carignane, so this wine is balanced. It's reminiscent of homemade strawberry rhubarb crumble – happy summer!

9. TANK WINERY "LOST AT  
LAST" WHITE WINE  
\$99 / set of 3 (California)

TASTING NOTES: honey, citrus, and grapefruit with floral accents, green apple, and honeysuckle.

WHY WE LOVE IT: We actually fell for this wine upon **learning the story behind its creation**. Upon tasting, we knew it was true love. It's serene and refreshing all at once.
